

Dear flexiworker,

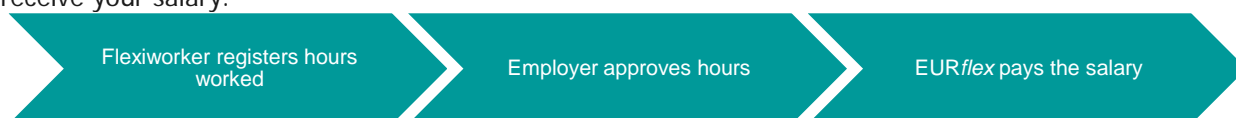

You are working at EURflex. You declare your activities in our portal EURflex Konnekt. The portal is suitable for mobile, tablet and desktop. Once your file is complete, you will automatically receive login codes by mail.

## Login

Click [here](#) to go to EURflex Konnekt.

## How does it work?

You register your hours and send them to your contact person, this contact person assesses the hours and approves them. After approval, EURflex processes the approved hours and so you will receive your salary.

## Register your hours

You make a declaration per hour, per placement, per cost center with hours (and allowances).

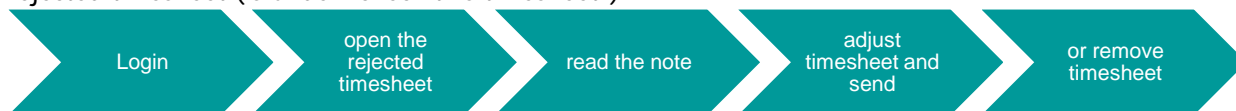

## Links

You can find important documents [here](#).

## Check timesheet

Rejected timesheet (is under "check this timesheet")

Still to be sent time sheet (is under "check this timesheet")

## Finance

In EURflex Konnekt you will find all information about payments, reservations, salary specifications and annual statements in the menu finances.

## Which timesheet has been processed?

With the clock-button 🕒 you can see which timesheet (s) has (are) processed and relates to the salary specification.
